

## WASHINGTON, DC HIGH SCHOOL PROGRAM

*The Ultimate Experience*

## Who We Are

Close Up is more than a tour – we are the ultimate **real-world experience**. Since 1971, we have brought over **900,000 students and teachers** to our **nation's capital** to show them **first-hand** the **power of the political process** and how it relates to them.

Using DC as a living classroom, students make personal connections with the people, institutions, and **iconic sites** that embody our nation's past and present. Through **meaningful conversations** with students from across the country, our programs help young people **find their unique voice**. The empowerment of youth and the issues they care about are at the core of what we do.

We believe that **informed citizens** create a stronger nation, so it's our mission to provide young people with the **skills they will need** to be **actively engaged citizens** for a lifetime. Not only will students have a **fun and inspirational experience**, they will also come back as **leaders in their community!**
